25X6A

1. State Draft Reply Cable on [REDACTED] and IL II Quotas (POLTO 2963).

Decision

The Executive Committee agreed that State would bear responsibility for final clearance of this matter within the deadline.

[The cable of reply TOPOL 2471, 6/13/57) was sent out by State as authorized by Mr. Dillon, not showing any interagency clearance.]

Discussion

Revisions of the State draft were discussed and agreed with the understanding that final clearance within the Department had not been reached and that Commerce would call later in the day after discussions at higher levels.

2. Consideration of Commerce and Defense Proposals for Revision of NSC 5704/1.

[Note: The Defense proposals for revision were distributed at this meeting.]

Decision

On the request of two members of the Executive Committee, State itself proposed to submit its recommendations for changes in writing, and on State's agreement to have their proposals for a redraft ready on Monday, June 17, the Executive Committee agreed to undertake a paragraph by paragraph consideration at that time.
